

PROJECT CARE

Since 1994, **Project CARE** has helped thousands of local families through difficult times. The program provides emergency relief for **temporary** financial hardships— not chronic or long-term debts.

A household is eligible for a maximum benefit of \$500 per year. All donations collected by OUC are administered by 211 Community Resources, a local non-profit organization that helps determine customer eligibility and need.

To donate, complete the form on back and include it with your OUC bill or visit www.ouc.com and sign up after you log in. **For every \$1 you donate, OUC will contribute \$2 to the program.** We thank you for your continued support of this important local effort.

For more information about Project CARE, please call **407-423-9018** in Orlando & St. Cloud.

OUC customers needing assistance from Project CARE should call 2-1-1.
