OUCCONNECT

BE PREPARED

BEFORE, DURING AND AFTER THE STORM WITH OUC'S ONLINE STORM CENTER

The 2021 Hurricane Season (**June 1-Nov. 30**) is officially underway. OUC's Online Storm Center is your one-stop resource that will help you and your family before, during and after a major storm impacts Central Florida. Our Storm Center features preparation videos, safety tips, live outage map, hurricane tracking maps and important phone numbers.

You can even register for Outage Alerts, which allow you to receive outage and restoration notifications via your choice of voice, text or email.

Visit OUC.com/stormcenter

DOWNED POWER LINES. STAY AWAY. CALL 911

If you're involved in a car accident with a power line or utility pole, DO NOT exit your vehicle unless it catches fire.

If your car catches fire:

- 1 Jump clear and land on both feet.
- 2 Keep both feet together.
- 3 Shuffle away from the car.

Safety Tips:

- 1 Always assume the line is energized, never touch or try to move a downed power line.
- 2 Never drive over downed power lines; they could become entangled in your car.
- 3 Never approach a car that has hit a utility pole. Instead call 911.

Learn more about downed power line safety at OUC.com/StormCenter.

If you suspect a tree may interfere with a line, let us know at OUC.com/treetrimming.

Up to
\$1,630
on Rebates

REBATE FOR A/C UPGRADE

If you have an old central air-conditioning unit, chances are it's costing you money to maintain while running up your energy bills due to inefficient cooling and heating.

With a new 15 SEER or greater heat pump A/C you'll save money and energy, plus get an OUC rebate from \$90-\$1,630.

Go to OUC.com/rebates and click on Residential Rebates Information for details.

OUC LOWERS SOLAR RATE

With OUCCommunity Solar you decide how much renewable solar energy you want to use. As of July 1, 2021, you'll pay 25% less for it!

There are no upfront installation or long-term upkeep costs with this program, as OUC provides participants with clean energy from local solar farms.

Our commitment to increase clean energy use and protect the environment are among the reasons OUC was named a 2021 Environmental Champion in Escalent's Utility Trusted Brand and Customer Engagement study.

This is the fourth year in a row OUC has claimed the honor.

To enroll in OUCCommunity Solar, visit OUC.com/communitysolar.

COMMUNITY PARTNER SPOTLIGHT:

Donate Now to Help Fund Cures & Medical Advances

Nemours Children's Hospital

When your child is sick, you want the best medical care. That's why 250,000 kids came to Nemours Children's Health System last year. Their health depended on us – and each one of those children depends on people like you to invest in the cures and medical breakthroughs that happen every day at Nemours.

We help children like **Christabel**, who was diagnosed with Wilm's tumor – a rare form of kidney cancer – at age 2. Wanting the best possible care, Christabel and her mom came to Nemours Children's Hospital in Orlando.

Our leading-edge cancer treatments helped Christabel – and now she is home and cancer-free!

Christabel is just one of thousands who seek our care each year. But in order to keep up with medical advances we need the support of our community. Please give today to help children like Christabel who need life-saving care.
